## ***P R E F A C E***

The estimates of Gross Fixed Capital Formation (G.F.C.F.) indicate the growth potential of the economy of Nation or a State. Higher the growth rate of Capital Formation, higher would be productive capacity of the economy. At the State level the estimate of Gross fixed Capital Formation are not readily available for the economy as a whole due to huge requirements of data from State Non -Departmental Commercial Undertakings (NDCUs), Urban & Rural Local bodies, State & Central Govt. Administrative Departments, Supra regional sectors, Central Govt. Departmental Commercial Undertakings (CDCUs) & Non-Departmental Commercial Undertakings ( CNDCUs ), Private Corporate Sector and House hold Sector. It was felt necessary for a long time to release estimates of Gross Fixed Capital Formation at State level, hence Directorate of Economics & Statistics ( DES ) has taken up the work of preparing the estimates of GFCF in phased manner.

The first publication, which only included the GFCF estimates of State Govt. Administrative Departments, for the period 2000-01 to 2006-07 was published by this Directorate. Now the second publication regarding the GFCF estimates of State Govt. Departmental Commercial Undertakings (DCUs ) and Non-Departmental Commercial Undertakings (NDCUs) is being prepared.

I hope this publication will be helpful to the Planners and Administrators in assessment of Capital Formation in the State of Chhattisgarh.

I welcome suggestions for more improvement in the contents of this publication .

# **CAPITAL FORMATION**

## **INTRODUCTION:-**

The growth of the productive capacity of the economy of a state depends on its rate of capital accumulation and it is measured by estimating the capital formation. Higher the rate of capital accumulation the higher would be growth of the productive capacity of the economy whereas the low growth indicates the low level of production. Thus the capital formation serves as a very important indicator to measure the magnitude of the growth of productive potential of the economy. The estimates of capital formation are important in context of planning and economic development as these highlights the addition to capital base of the economy and consequent change in the modes and capacity of production. These estimates are among the important statistics required for determining policy decision in resource mobilization, allocation of resources and assessing the growth potential of the economy.

The estimates of Gross Capital Formation consists of Gross Fixed Capital formation (GFCF) and changes in stock of raw materials, semi-finished and finished goods. As it is difficult to capture changes in stock at state level, the present estimates are confined to Gross Fixed Capital Formation (GFCF) rather than Gross Capital Formation.

## **SCOPE AND COVERAGE:-**

The estimates of GFCF are prepared for the entire economy of Chhattisgarh State. Chhattisgarh is a new State, formed after the reorganization of old Madhya Pradesh. It came in to existence on 1st November 2000. This is first time effort when GFCF estimates of Chhattisgarh State are being prepared. Directorate of Economics & Statistics (DES) of Chhattisgarh has taken up the work of preparing the estimates of GFCF in phased manner. In it's first phase DES of Chhattisgarh has already been published the GFCF estimates of State Govt. Administrative Departments of Chhattisgarh State for the year 2000-01 to 2006-07(P). This publication is being confined to GFCF estimates of State Govt. Departmental Commercial Undertakings (DCUs) and Non Departmental Commercial Undertakings (NDCUS) of Chhattisgarh State.

Gross Fixed Capital Formation refers to the aggregate of gross addition to fixed assets in a particular year. The assets comprising of Construction (including construction of Building, Road and Bridges), Machinery and Equipment (including transport equipment), Software-outlay, Cultivated and Animal assets, excluding stock during the accounting period.

For the purpose of estimation of Gross Fixed Capital Formation, the capital originated within the geographical boundaries of the state has been taken in to account.

For the purpose of estimation of Gross Fixed Capital Formation, the economy of the State has been classified in to 9 industrial groups of use.

- 1. Agriculture (including Animal Husbandry, Forestry & Logging and Fishing)**
- 2. Mining and Quarrying**
- 3. Manufacturing**
- 4. Electricity, Gas and Water Supply**
- 5. Construction**
- 6. Trade, Hotels & Restaurants**
- 7. Transport, Storage and Communications**
- 8. Financing, Insurance, Real Estate & Business Services**
- 9. Community, Social & Personal Services**

**Each Sector has been further classified in to**

- A . Public Sector**
- B . Private Sector**

**The Public Sector consists of :-**

1. Administrative Departments
2. Departmental Commercial Undertakings (DCUs)
3. Non-Departmental Commercial Undertakings (NDCUs)
4. Local Bodies
5. Central Non-Departmental Commercial Undertakings (CNDCUs)
6. Supra-Regional Sectors

**Administrative Department:-**

All Central Govt. Departments established in the State and State Govt. Departments/offices engaged in administration and regulation of public order come under this segment .

## **Departmental Commercial Undertakings (DCUs):-**

Undertakings, which are owned and controlled by the Government, producing Goods and Services and selling at prices like any other commercial establishments come under this segment. For example Govt. Printing Press etc. In the present publication the estimates of GFCF of DCUs functioning within the State have been obtained by analyzing the budget document. Each year the State Govt. made provision for expenditure to every DCU in its Annual Budget for different purpose of uses. The data provided in the accounted budget is taken in to consideration during estimating GFCF.

## **Non- Departmental Commercial Undertakings (NDCUs):-**

Non-Departmental Commercial Undertaking comprises of 1. Govt. companies registered under Companies Act and wherein not less than 51% share is owned by State Govt. and 2. Public corporations setup under the State Govt. Act wholly or mainly owned and/or controlled by public authorities. These NDCUs are also engaged in producing goods and services for general sale. In this publication the estimates of GFCF for the State NDCUs are being prepared by analyzing the annual account of these companies. Information given in the annual account regarding capital outlays and expenditure are taken in consideration. List of NDCUs functioning within the the State is given in page no. 48 .

## **Local Bodies:-**

The Local Bodies consist of Zila Panchayat, Janpad Panchayat, Gram Panchayat, Municipal Corporations , Municipalities and Nagar Panchyat .

## **Central Govt. Non-Departmental Commercial Undertakings:-**

Central Govt. Non-Departmental Commercial Undertakings comprises of 1. Govt. Companies registered under Companies Act and wherein not less than 51% share is owned by Central Govt. and 2. Public Corporations setup under the Central Govt. Act wholly or mainly owned and/or controlled by public authority established in the State.

## **Supra-Regional Sectors:-**

All such sectors the boundaries of which are not co-terminus with state geographical boundaries are known as Supra-Regional Sectors. For ex. Railways, Banking, Insurance & Communications etc.

## **Presentation of estimates**

The estimate of GFCF in the present publication covers only State Govt. Departmental Commercial Undertakings (DCUs) and Non Departmental Commercial Undertakings (NDCU'S) functioning within the geographical boundaries of Chhattisgarh State. The following features are being covered under the present estimates of GFCF.

1. It covers the State economy as a whole for the Primary Sector i.e. Agriculture (including Animal Husbandry), Forestry & Logging, Fishing and Mining located within the State, Secondary Sector including Manufacturing and Construction and Tertiary Sector.
2. GFCF estimates are prepared for industry of use and by type of assets.
3. Estimates are compiled for the year 2001-02 to 2006-07. Since the Chhattisgarh is a newly formed State some of the NDCUS are constituted after existence of the State.
4. The estimates are prepared at current price only.
5. Estimates are made by expenditure approach i.e. the commodities which are taken in to account in estimation of GFCF are valued at purchasers price or actual expenditure incurred.

### **GROSS FIXED CAPITAL FORMATION BY DEPARTMENTAL COMMERCIAL UNDERTAKINGS (DCUS) AND NON DEPARTMENTAL COMMERCIAL UNDERTAKINGS ( NDCUS ) IN PUBLIC SECTOR OF CHHATTISGARH YEAR 2001-02 TO 2006-07**

Capital Formation is a basic macro economic aggregate often used as an indicator for the growth potential of the economy of Nation or a State. The G.F.C.F. estimates at the State level was not attempted earlier due the absence of system for collection of huge data from various organizations viz. Central Government, Local bodies (Panchayat & Municipalities), Private corporate Sector and household sector. Therefore, attempts are being made to prepare the estimates of G.F.C.F. in phased manner. In first phase GFCF estimates of State Govt. administrative Departments by industry of use and by type of assets for the year 2000-01 to 2006-07(P) is prepared and published. Next the GFCF estimates of State DCUS and NDCUS for the year 2001-02 to 2006- 07 are prepared by this Directorate.

The estimates of G.F.C.F. of DCUs, NDCUs and together by type of assets i.e. Buildings, Road & Bridges, Other Construction, Machinery & Equipment, Transport Equipment of different years are presented in Table No 2 to 4. Similarly the G.F.C.F. of DCUs, NDCUs and together by type of industry of use and by type of assets for each of the years 2001-02 to 2006-07 are presented in Table No. 5 to Table No 22 respectively.

### ***Analysis Of Estimates Of G.F.C.F.***

A brief analysis of estimates of G.F.C.F. by State Govt. DCUs and NDCUs are given in following paragraphs.

### **G.F.C.F. at Aggregate Level**

The estimates of Gross Fixed Capital Formation and annual change over previous year are given in Table 1

<b>Table-1</b>				<b>( Rs. in Lakhs)</b>			
<b>S. No</b>	<b>Year</b>	<b>GFCF of DCUs</b>	<b>Annual change in %</b>	<b>GFCF of NDCUs</b>	<b>Annual change in %</b>	<b>Total GFCF of DCUs &amp; NDCUs</b>	<b>Annual change in %</b>
<b>1</b>	<b>2</b>	<b>3</b>	<b>4</b>	<b>5</b>	<b>6</b>	<b>7</b>	<b>8</b>
1	2001-02	<b>18647</b>	-	<b>33325</b>	-	<b>51972</b>	-
2	2002-03	<b>43880</b>	<b>135.32</b>	<b>67429</b>	<b>102.34</b>	<b>111309</b>	<b>114.17</b>
3	2003-04	<b>44743</b>	<b>1.97</b>	<b>99916</b>	<b>48.18</b>	<b>144659</b>	<b>29.96</b>
4	2004-05	<b>60666</b>	<b>35.59</b>	<b>122735</b>	<b>22.84</b>	<b>183401</b>	<b>26.78</b>
5	2005-06	<b>53164</b>	<b>-12.37</b>	<b>207668</b>	<b>69.20</b>	<b>260832</b>	<b>42.22</b>
6	2006-07	<b>74246</b>	<b>39.65</b>	<b>251892</b>	<b>21.30</b>	<b>326138</b>	<b>25.04</b>

It is seen in the table that the Gross Fixed Capital Formation by DCUs during the year 2006-07 was accounted to Rs 742.46 crores as against Rs 186.47 crores in 2001-02. The average rate of increase during the year 2001-02 to 2006-07 works out to be 40.03 percent. Similarly the GFCF estimates of NDCUs during the year 2006-07 was accounted to Rs 2518.92 crores as against Rs 333.25 crores in the year 2001-02. The annual growth of GFCF during the year 2001-02 to 2006-07 is worked out to be 52.77 percent. Taken in to consideration both DCUs and NDCUs together the annual growth is working out to be 47.64 percent.

### **G.F.C.F. by Industry of Use**

The estimates of G.F.C.F. of DCUs, NDCUs and together by industry of use i.e. by different sectors of the economy to which DCUs and NDCUs belong along with there share for the year 2001-02 to 2006-07 are given in Table No. 23 to Table No. 25 .

It is observed that in case of DCUs, amongst all the industry groups "Agriculture" represents the highest share in the G.F.C.F. followed by Manufacturing. Transport is another sector where major part of the Govt. Budgetary Fund is used for capital formation in DCUs. Similarly in case of NDCUs Electricity is a major sector where capital is created followed by Real Estate and Storage sector. Taking in to consideration both DCUs and NDCUs together, Electricity occupies a major component to total GFCF followed by Agriculture sector during the period of 2001-02 to 2006-07.

### **G.F.C.F. by type of Assets**

The estimates of G.F.C.F. of DCUs, NDCUs and together, by broad categories of assets i.e. Buildings, Road and Bridges, Other Construction, Machinery Equipments, Transport Equipments of different years are given in Table No 2 to 4

In case of DCUs it is seen in the table No. 2 the " Other Construction Works " occupies major share in total GFCF by type of assets. Other Construction Works here includes expenditure on Electricity Transmission, Water Supply works etc. The average percentage of these assets to the total GFCF for 2001-02 to 2006-07 is worked out to be 85.54%. Machinery and Equipment is another assets created during the same period.

For NDCUs the major share of GFCF during the period of 2001-02 to 2006-07 is "Machinery and Equipment". The average percentage contribution of this category of assets to total GFCF during the same period is worked out to be 88.21%.

Taking in to consideration both DCUs and NDCUs together, "Machinery and Equipment" occupies a major component to total GFCF during the period of 2001-02 to 2006-07. The average percentage contribution of this asset to total GFCF during the same period is worked out to be 64.73% followed by "Other Construction" which is having 27.57% of total GFCF.
