संदेश

मुझे यह जानकर प्रसन्नता हुई कि छत्तीसगढ़ राज्य स्थापना के एक वर्ष पूर्ण होने पर योजना, आर्थिक एवं सांख्यिकी विभाग द्वारा “छत्तीसगढ़ इन चार्टर्स एण्ड ग्राफ्स” नाम से एक पुस्तिका का प्रकाशन किया जा रहा है।

हर क्षेत्र और विषय में तथ्यात्मक आकड़ों और मूलभूत जानकारीयों का महत्व बहुत ज्यादा होता है। विकास और योजना निर्माण की दृष्टि से तो इसकी महत्ता और भी अधिक होती है। ये आंकड़े और जानकारीयां उपलब्ध संसाधनों के दोहन, व्यापार, व्यवसाय, उद्योग तथा पर्यटन को बढ़ावा देने की दृष्टि से भी उपयोगी है।

मुझे आशा है यह पुस्तक छत्तीसगढ़ के विकास में सहभागी बनेगी और इसकी उपयोगिता से जनसाधारण भी लाभान्वित होंगे।

प्रकाशन की सफलता के लिए मेरी शुभकामनाएँ।

संदेश

मुझे यह जानकर बड़ी प्रसन्नता हुई कि छत्तीसगढ़ राज्य स्थापना का एक वर्ष पूर्ण होने पर योजना आर्थिक एवं सांख्यिकी विभाग द्वारा एक पुस्तिका प्रकाशित की जा रही है, जो इस नए राज्य के सांख्यिकीय आंकड़ों पर आधारित है। वास्तव में किसी भी क्षेत्र, राष्ट्र अथवा राज्य के विकास कार्यक्रमों को गति देने में सांख्यिकी के तथ्यात्मक आंकड़ों का बहुत महत्वपूर्ण योगदान होता है। योजनाओं के निर्माण और उन पर अमल सुनिश्चित करने के लिए भी इन आंकड़ों की जरूरत होती है। इस दृष्टि से मुझे आशा है कि यह एक महत्वपूर्ण, उपयोगी और ज्ञानवर्धक पुस्तिका होगी।

प्रकाशन की सफलता के लिए मेरी हार्दिक शुभकामनाएँ।

छत्तीसगढ़ शासन

संदेश

मुझे यह जानकर प्रसन्नता हुई कि नये छत्तीसगढ़ राज्य की प्रथम वर्षगांठ के अवसर पर योजना, आर्थिक एवं सांख्यिकी विभाग द्वारा राज्य की सामान्य जानकारी और यहाँ उपलब्ध संसाधनों के आंकड़ों पर आधारित पुस्तिका का प्रकाशन किया जा रहा है। वास्तव में किसी भी राज्य की विकास योजनाओं के निर्धारण में आंकड़ों की महत्वपूर्ण भूमिका होती है। आंकड़े यदि तथ्यपरक और वास्तविकता पर आधारित हों तो विकास योजनाओं के परिणाम भी काफी सकारात्मक होते हैं। इसके साथ ही शासन और प्रशासन तथा योजनाकारों, अर्थशास्त्रियों और उद्योग-व्यवसाय से जुड़े लोगों के लिए किसी भी क्षेत्र, राज्य अथवा देश से संबंधित सांख्यिकी का बहुत अधिक महत्व होता है। छत्तीसगढ़ चूंकि एक नया राज्य है, इसलिए मुझे उम्मीद है कि इस राज्य के सामाजिक, आर्थिक और शैक्षणिक विकास तथा यहाँ की औद्योगिक और व्यवसायिक प्रगति के लिए राज्य से संबंधित बुनियादी जानकारी के आंकड़ों के संकलन के रूप में यह पुस्तिका बहुत उपयोगी और ज्ञानवर्धक साबित होगी।

प्रकाशन की सफलता के लिए मेरी हार्दिक शुभकामनाएँ।

(डॉ. रामचन्द्र सिंहदेव)

MESSAGE

Statistics are the barometer for measuring changes in the socio-economic situation of the State. For any realistic appraisal of success or otherwise all our efforts for developing, time series data on important socio-economic indicators are required. This publication will fill in a void, in the new State, in this regard will meet a felt-need.

The publication incorporates graphs and charts to make it more user friendly and interesting. I hope planners, policy makers, researchers and people in general find the publication useful.

I appreciate the efforts of staff and officers of the Directorate of Statistics in bringing out this publication.

S. K. MISRA

PREFACE

There has been a long-felt need to present salient Socio-economic features of Chhattisgarh in an easily intelligible form, not only through statistical tables but also through charts and graphs. The present publication is an attempt in that direction.

2. Data collection, validation and preparation of charts and graphs have been done in the Publication Division of the Directorate. The publication bringing out as per target under the overall guidance and supervision of *Dr. B. L. Sharma, Additional Director*. The list of officers and staff associated with this work is given overleaf.

3. I hope that this publication will be quite useful for the administrators, planners, policy makers and research workers. We are constantly endeavouring to improve the usefulness of the publications of the Directorate and shall be grateful for any suggestions in this regard.
